MEMORANDUM FOR : Audit Liaison Officer

SUBJECT : Request for Audit - Contract No. EQ-1806
with Eastman Kodak Company

1. Attached is a final statement of cost, in duplicate, submitted by Eastman Kodak Company under Contract No. EQ-1806. It is requested that the final cost audit and property audit of the contract be made at your earliest convenience.

2. It will be noted that the Contractor's final total cost exceeds the total contract price of \$1,398,850.00 by \$1,549,941.00. Consideration is being given, however, to allowing some portion of this cost overrun based on either added work or relief, whichever is found appropriate. It is requested, therefore, that the allowability of costs in excess of the contract price be included in your cost audit on the assumption that the contract price may be increased.
